Wondering what to wear to a Cinderella pageant? Our motto is "Real kids, in real clothes." We want your child's unique beauty and personality to shine. Clothing shouldn't be overly ornate or glitzy in our younger divisions. We are a natural pageant that puts focus on the young lady in the clothing, rather than the clothing she wears. For our Teen and Woman age divisions, classic Teen/Miss styles that suit your personal taste and emphasize your unique beauty work best.
