

## BABY-PRINCE Charming PAGEANT RULES & REGULATIONS

1. A parent or guardian must accompany the participant on stage and will be solely responsible for their conduct and safety.
1. The person accompanying the participant on stage will introduce the child at the microphone giving the child's name, hometown, and one sentence of "something cute about them". (Older Prince Charmings (3-6 years) will have the opportunity to speak for themselves, but don't have too)
2. The parent is NOT JUDGED, however remember good grooming is important. (no low cut blouses or shirts – no blue jeans)
3. The order of appearance during casualwear and partywear will be by Division – Infants, Babies, Tiny Tots, & Prince Charmings
4. There will be a Parade of Contestants (for chaperone and participant) at the beginning of the Show for all Divisions.
5. Children in the "Cinderella Infant" age category are to be carried by the chaperone onstage. All other baby participants must hold the hand of the accompanying adult at all times or be carried (except for the older boys 3-6 years). Also in the TinyTot division the young person does not have to hold the parent's hand but they can, but the parent needs to be present on stage by the child for safety reasons. All age categories will follow the Cinderella modeling pattern and will be judged in Casualwear and Partywear modeling, as well as the PlayTime-Close Up Appraisal
6. Following the competition in Partywear, there will be an intermission while the judges determine their choices in each age division. Immediately thereafter, the judges will announce the winners and awards will be given.

You may also pay with PAYPAL – (Paypal account #: [cinderellanevada@gmail.com](mailto:cinderellanevada@gmail.com)) or via Venmo (account # @Gwendolyn-Hansen) or on the website  
It is suggested that props, hats, bracelets, & gloves not be used as babies have a tendency to play with these articles and lose valuable eye contact with the judges. Also hats tend to shade the baby's face. For ideas on what to wear – check out the Baby State Pictures on our Cinderella Girl website: [www.cinderellanevada.com](http://www.cinderellanevada.com)
14. There is a \$10.00 admission fee at the door so bring all your relatives and friends to watch the fun! Note: One admission ticket will be included for the chaperone of each baby participant. Children 9 and under are admitted free of charge. All others must have an admission ticket to come and watch.
15. We will have an official photographer and videographer there and you can purchase their packages. (see A&W Photo Form)
16. **PHOTOGENIC** is Mandatory on the State level and will be judged separately and prior to playtime. **YOU MUST SUBMIT a Black and White or Color Photo (the photo can be any size up to an 8 x 10)**. The picture will be reduced to 1 ½" x 2" in the official program book. Photogenic will be judged by the original photos. Pictures may be of the head, face or head & shoulders. **Pictures MUST be vertical**. Make sure to carefully label your photo with your name and division (put a label on the back). The photogenic judging in no way affects the overall adjudication, however, they should be as attractive and professional as possible as they will be used to select the State Photogenic Winners. Remember they are the first impression the judges see and a small 1 ½" x 2" will be stapled to each judge's notation sheets for easy reference. The picture should look like the participant and be appropriate for the age division. **Photogenic Winners will be selected on the following basis: photographic beauty & captured personality or mood, composition, and the technical quality of the photograph**. Photographs may NOT include trophies, crowns, or banners. All pictures are to be **from the current pageant year**. (Must have been taken after Sept 1<sup>st</sup> of this pageant season). All photos will be returned. **You can submit a photo electronically first for the program book, but be sure to turn in your photogenic photo at Cinderella Registration (if you did not mail it in)**.
17. This is not a clothing contest. Dresses or Outfits should be unaffected and not have beads and sequins as these tend to take away from the baby's face.
18. Playtime will be by Age Division and each child is asked to bring along a favorite toy of their own to share & take back home. I will have a simple gift for each one during this time to take home.
19. During the Casualwear and Partywear/Formalwear modeling, each baby will have the same amount of timed music to display their beautiful faces. The accompanying adult during casualwear will state the baby's name, age, city, and something cute about them.
20. Each baby/prince charming participant is to bring a good luck gift (something small like crackers or lollipop – May even be donated item) to include in the "Good Luck Goodie Bag" that will be given to each participant. This could be 20 or 50 items. Please include your Baby's name and title and a note of Good Luck on the tagged item. The bags will be lined up and you are to drop your good luck gifts into the Goodie Bags during Registration, that way, the bags can be distributed to each baby after each division's playtime.
